How much does it cost to hire The All New Blues and Soul Revue?

Using this calculator you can work out exactly what it will cost to hire the band for your event. Costs are calculated using a number of factors, including:

- The band format, this could be from duo through to full 11-piece band
- Whether a disco is required after the show and what time we need to arrive or are able to leave afterwards
- Distance: how far we would need to travel (allowing for fuel costs, toll roads etc) and how many vehicles we would need to bring
- Band fees: Some gigs are nice and close to home, others can mean a 24+ hour round trip!
- Accommodation Costs (If 201+ miles from Bedford, MK40) the prices above are sufficient to cover hotel expenses
- Operational Costs: We also have to cover insurance, PAT Testing, Costumes, Equipment, Repairs and Maintenance, Admin costs and a whole lot more!

The All New Blues and Soul Revue is a full-time business which employs only professional musicians. We may not be 'the cheapest' out there, but we've been in business since 2002 and our reputation and many reviews speak for themselves.
